ABOUT MUN'dane

Launched as a dynamic student initiative in 2024, MUN'dane represents the vibrant intellectual and diplomatic spirit of IISER-Kolkata, transcending the conventional boundaries of a Model United Nations.

Our inaugural intra-college MUN in 2024 was a phenomenal success, drawing widespread participation and showcasing exceptional diplomatic talent within our community. The event not only set a high standard for quality deliberations but also underscored MUN'dane's commitment to fostering meaningful dialogue and collaboration.

This year, as part of Inquivesta XI—IISER-Kolkata's premier science and cultural fest—MUN'dane is set to host its first inter-college MUN. This event promises to bring together brilliant minds from diverse institutions to engage in rigorous debates, realistic simulations, and impactful resolutions. Participants will immerse themselves in meticulously curated committees, exploring issues of international and national importance, under the guidance of our experienced and dedicated Executive Board.
